

# IMPORTANT REMINDERS FOR TAX YEAR 2014

**The due date for filing a return is April 15, 2015.**

**Effective for tax year 2010, no credit is allowed for taxes paid to other cities.**

Cash payments for income tax are no longer be accepted. Payments may be made via check, money order or debit/credit card (in-office only, no phone or Internet debit/credit card payments).

If you are 65 years of age or older with no city taxable income, please mark the appropriate box on the tax return in Section A and provide proof of your age/type of income. Once you have provided this information, you will not be required to file a Kenton tax return in future years unless your type of income changes.

Effective for tax year 2012, the operating loss-carryforward was reduced from 5 years to 3 years.

**Effective 1/1/2012, the minimum late filing penalty is 5% per month (or part thereof) of the tax due at the time of filing or \$35.00 whichever is greater.**

**Effective 1/1/2012, the minimum refund (returned) is \$10.00. Overpayments less than \$10.00 will automatically be applied as a credit to the next tax year.**

This packet contains information for Individual Filers only. Business Filers may obtain a return by printing a form from our website ([www.kentoncity.com](http://www.kentoncity.com)) or by contacting the Tax Department.

Extension to file requests must be filed by April 15, 2015. The City of Kenton does not automatically receive copies of Federal extensions. An extension to file is not an extension to pay, therefore estimated taxes should be paid with the extension request to avoid non-payment penalty and/or interest. No extensions to file will be accepted after the due date (April 15, 2015).

2015 Estimated Payments are due on:

With your 2014 tax return (April 15, 2015) or by April 30, 2015  
June 30, 2015  
September 30, 2015  
December 31, 2015

Just a reminder that the City of Kenton has mandatory filing. ***Even if you had no income, you must file a tax return.*** Please contact our office at 419-673-1355 for more information on filing your tax return.

No electronic filing of tax returns is available. ***If you have a tax preparer complete your Kenton Income Tax Return, you are responsible for submitting the return to the City of Kenton Income Tax Department.***

Before submitting your return, please verify that all the required information has been attached including W-2s showing Medicare wages and city tax(es) withheld, 1099s, Schedule C(s), Schedule E(s), documentation required for 2106 expense deduction and etc. An incomplete return is not a filed return and can subject your account to late filing penalties.

**A RESIDENT IS...**an individual who is domiciled in this City. A domicile is that place where an individual has his true, fixed and principal establishment, and to which, whenever he is absent, he has the intention of returning. The place where an individual actually lives is presumed to be his domicile and that domicile, once established, continues until a change is in fact shown. Domicile is not changed by removal for a definite period of time or for a particular purpose such as employment. Abandonment of the domicile does not occur until the acquisition of a new one.

**A RESIDENT IS ALSO...**for Kenton income tax purposes, an individual temporarily **LIVING** in Kenton for purposes such as employment and/or education, etc., and is therefore covered by City services and protection.

**WHO MUST FILE: IT IS MANDATORY THAT YOU FILE THIS RETURN, EVEN IF NO TAX IS DUE.**

- ALL KENTON RESIDENTS and partial year residents ages 18 and over.
- RETIRED RESIDENTS age 65 or over if they have rental, business income or earned income.
- EVERY BUSINESS ENTITY that conducts business within or for the City of Kenton. *This includes owners of rental property within the City of Kenton.*
- ALL PASS THROUGH ENTITIES (any class of entity the income or profits from which are given pass-through treatment under the Internal Revenue Code) shall be taxed at the hands of the entity, not the hands of the owners of the entity.

**WHEN TO FILE:** Taxpayers who end their taxable year on December 31 must file their return on or before April 15, 2015.

**REQUEST FOR EXTENSION OF TIME TO FILE:** An extension may be granted upon filing a request and paying the anticipated tax owed not later than April 15, 2015. The taxpayer shall make the request by filing a copy of the Federal extension or by providing a letter of request that includes the taxpayer's name, address, social security number or federal tax identification number. **Kenton does not receive federal extensions.** The request must be mailed by the due date of the return. An extension request that is granted is for an extension of time to file and not an extension to pay.

**PARTIAL YEAR RESIDENTS:** If you were a Kenton resident (see definition above) only part of the year, you must file a tax return covering that time. Report the amount of income you earned while you were a Kenton resident. Pay statements with year-to-date figures or a statement from your payroll department must be used if available. When the actual amount you earned while living in Kenton cannot be determined, you may break down your earnings by the number of months employed by that job, arriving at a monthly earnings figure. Use the monthly earnings figure multiplied by the number of months of residency to find your taxable amount. If you pro-rate your income, also pro-rate any city tax that was withheld on the same income. Attach a worksheet explaining your calculations.

**WHERE TO FILE:** The return is to be filed with:

City of Kenton  
Division of Income Tax  
111 W. Franklin Street  
P O Box 220  
Kenton, OH 43326-0220.

**ESTIMATED TAX PAYMENTS:** Every person who anticipates any taxable income which is not subject to withholding of income tax or who engages in any business, profession, enterprise or activity subject to Kenton taxation and such income results in tax due shall file a declaration and pay estimated tax. The payments are due on April 30, June 30, September 30, and December 31. Estimated tax forms for the 2014 tax year are included with this return.

**EMPLOYEE BUSINESS EXPENSES:** Employee business expenses, as defined on Federal Form 2106, may be deducted against income subject to city taxation. If income is allocated between cities, 2106 expenses should be allocated accordingly. Federal Form 2106 and Federal Schedule A as well as Federal Form 1040 **MUST** be included with the return.

**CREDIT FOR TAXES PAID TO OTHER CITIES: EFFECTIVE FOR TAX YEAR 2010,** No credit is allowed for taxes paid to other cities.

**BUSINESS ACTIVITY:** The net loss from a business activity may not be used to offset qualifying wages from employment. However, if a taxpayer is engaged in two or more taxable business activities to be included on the same return, the net loss of one, except any portion of a loss separately reportable for municipal tax purposes to another taxing entity, may be used to offset the profits of another for purposes of arriving at overall net profits. *NOTE: Gambling losses may only be used to offset gambling winnings. Gambling losses cannot be used to offset income from other business activities.*

**TAX PREPARATION:** If you are unable to prepare your tax return, it is suggested that you contact a qualified tax preparer for assistance since the City of Kenton is unable to prepare your city tax return. Electronic filing is not available and taxpayers are responsible for the delivery of their tax return to the City of Kenton.

**GAMBLING AND LOTTERY WINNINGS AND LOSSES:** Winnings as reported on line 21 of Federal 1040 are taxable to the City of Kenton. Losses may be claimed to the extent of winnings as reported on line 27 of Federal Schedule A. *NOTE: Gambling losses may only be used to offset gambling winnings. Gambling losses cannot be used to offset income from other business activities.*

**GENERAL INFO**

Having trouble filling out your return?

We recommend you contact a qualified tax preparer to assist you since the City of Kenton Income Tax Division cannot complete your return.

Incomplete returns will be returned to the taxpayer and may subject your account to late filing penalties.

To avoid late filing penalties, tax returns should be filed by April 15, 2015 even if you are unable to pay your taxes in full at that time.

Effective for Tax Year 2010, no credit is allowed for taxes paid to other cities. If you work outside the City of Kenton, you should make estimated payments on your tax liability to avoid a large balance due at filing.

A rental property within the City of Kenton is considered a business within the City and a tax return is required even if no tax is due.

Kenton is a mandatory filing city – this means that a tax return is required even if no tax is due.

Check, money orders and debit/credit cards accepted for in-office payments. **NO CASH ACCEPTED.**

□ □ □
