

WHY IS IT IMPORTANT TO RECYCLE?

- Recycling conserves natural resources.
- Recycling reduces pollution.
- Recycling conserves landfill space.
- Recycling saves energy.
- Recycling in a Pay As You Throw program saves you money!

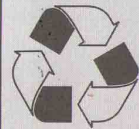

MISCELLANEOUS

- All recycling/trash will be picked up between 6am & 5pm.
- If your normal recycling/trash day is a holiday, your pickup will be the next day.
- The holidays observed are:
New Year's Day, Memorial Day,
July 4th, Labor Day, Thanksgiving,
and Christmas.

WHO CAN RECYCLE?...

All residents are encouraged to recycle through the Pay As You Throw program. This program is for residents who are serviced by the Solid Waste District.

- You may IDENTIFY your RECYCLING BIN.
Using a permanent marker, put your address on the side of your box.
- Set out your RECYCLING BIN on the morning (before 6 am) of your regular collection day to discourage scavenging, container theft, and litter.
- Get a replacement (see box below) if your container is lost, stolen or damaged.

Moving?

Leave the RECYCLING BIN for the next resident. The RECYCLING BIN is provided for your use, but remains the property of the North Central Ohio Solid Waste District

HOW & WHAT TO RECYCLE?

3 QUICK & EASY STEPS

1

Put the RECYCLING BIN next to your waste basket, under the sink, in a closet, by the door or wherever most convenient for you. The

RECYCLING BIN provides clean, convenient storage for your recyclables, and keeps them from being contaminated by other garbage and trash.

2

Prepare your recyclables as directed and put in the RECYCLING BIN. If you have more recyclables than the RECYCLING BIN will hold, put

them into open or clearly marked bags or other containers. If you constantly need more space, please call the information number (on back) for another recycling bin.

3

Take the RECYCLING BIN and the trash bags/cans to the curb by 6:00 am on the morning of your trash collection day. Be sure the

RECYCLING BIN can be easily seen by the collection crew. Please remove the RECYCLING BIN from the curb as soon as possible after it is emptied, but no later than 7:00 pm on the day of pick up.

Recycling is clean, quick, and simple!

Curbside Recycling

Please follow the simple guidelines in preparing items for recycling. Recyclables improperly prepared or mixed with trash will not be picked up. Only items listed can be collected curbside. If you miss a curbside collection day, you may save the recyclables for the next week.
